

Quileute Health Center Dental Clinic

Closed for Renovation

Monday December 8th - Tuesday January 20th

Emergencies

The dental clinic will be temporarily relocated to the second floor of the Quileute Health Center for dental emergencies.

Please call 360-374-9035 option 2 to schedule or talk to one of our dental team members.

Questions

If you have any questions about the dental project please contact Jolene Winger, Health Director, at 360-374-4318.

We apologize for the inconvenience during this time, and thank you for your patience. We look forward to seeing you back in office when our remodel is complete.
