

Quileute Tribe Request for Proposals

FS-2918/Sol Duc Hot Springs Fish Passage Designs

Appendix A: RFP Response Form (*Fill out form, adding sheets as necessary, or provide the same information in your chosen format*.)

1) Company/Individual Contact Information (*Company name, address, phone number, email/phone number and role for key individuals*)

2) References (*Provide a minimum of 2 references for services of the type proposed in this RFP. Provide the customer's name, the location and date(s) where services were provided, customer's contact information, and a short description of the services provided*.)

3) Qualifications *(Please provide a summary of qualifications for the firm, as well as relevant work experience, education, skills, etc., for key personnel who will be involved with the contract which emphasizes previous experience in this area.)*

4) Experience/Project Examples (*Provide three previously completed projects that relate to the major work activities identified in this RFP. The list of past projects should include project title, project location, summary of work performed or deliverables, and a brief description of how the project demonstrates relevant experience.)*

5) Technical Approach and Capacity *(Describe the proposed approach to completing the project scope, including a proposed sequence, duration and timeline for all major work activities. Specify depth of experience with the methodologies and approach of providing services, including, protocols, equipment, computer model(s)/software required to complete the project scope.)*

6) Availability (*Describe firm's ability and capacity to complete Tasks 1-3 within the required timeline. Please include a statement on which, if any, of Tasks 4a-d your firm anticipates being able to produce by the current funding deadline of June 30, 2027. If a longer timeline would be necessary to produce 4a-d, please indicate what that timeline may be.)*

7) Cost (*Provide budget narrative for each task in Appendix B. In addition to evaluating the total cost, Quileute will assess the budget based on how well the narratives explain the allocation of funds, the strategies for achieving cost efficiencies, and the contractor's ability to deliver all scoped services within the anticipated budget. Optionally, please indicate how a longer timeline for Tasks 4a-d would impact the quoted costs.*)

8) Indian-Owned Business, Small Business, Minority-Owned Businesses, Women's Business Enterprises, Veteran-Owned Business and Labor Surplus Area Firm Preference *(If your company is eligible for Indian Preference status or preference for one of the other business types in 2 CFR Section 200.321, please explain how. For Indian Preference, must have Indian ownership of 51% or more, by either a federally recognized tribe or individuals enrolled in a federally recognized tribe)*
